# DO NOT

## POUR FATS, OILS OR GREASE DOWN THE DRAIN!

Guam Waterworks Authority, in partnership with Unlimited Services Group and the Dededo Mayor's Office, want to help you safely dispose your Fats, Oil, Grease (FOG) and used motor oil.

We want to make it convenient, so drop off your FOG at the Farmers Market in Dededo. Help us protect our island and environment by recycling old oils.

**Children's goodie bags will given out—while supplies last!**
