

ABOUT US

OUR MISSION

The Council provides assistance to the Mayors and Vice Mayors of all 19 municipalities who are "the most direct front-line responders and representatives" of our people. The Mayors and Vice Mayors provide services and responses and ensure that these services are equitably and promptly provided to all our residents.

OUR VISION

We aim to simply provide the services needed as mandated and authorized by Guam Code Annotated Title 5, Chapter 40. We aim to keep our communities safe; our communities clean and beautified; our communities a place where all families live knowing that their municipal government will provide them the services they all expect.

OUR GOAL

We want to make our communities a place where we can all be proud to raise our children and grandchildren. To make our communities not just places delineated by "Entering" and "Leaving" signs but by living next to each other with respect and goodwill.

FUTURE CHALLENGES AND OUTLOOK

PRE-COVID vs. COVID PERIODS

The onset of COVID 19 in the 2nd Quarter of FY20 really impacted on the operations of the MCoG. The MCoG was considered an essential agency during the pandemic so we kept our doors open throughout FY21 except as restricted by the Public Health emergency and the Governor's Executive Orders dealing with government operations during the pandemic. We are challenged with establishing a "new" normal way to operate and continue with our mandates. We are grateful for the infusion of federal dollars through the Cares Act but bringing our island back to a strong, vibrant economy when our island returns to PCOR4 remains a challenge for all agencies and instrumentalities of our government.

We are optimistic that we will win this war against our invisible enemy COVID-19. We are proud of the many sacrifices and efforts of all our people to defeat this enemy and move forward to an even better, safer, and healthier Guam in the years to come.

AUDITS

We will continue to have our 19 Village Non Appropriated Funds (NAF) and the MCoG Revolving Funds to be annually audited as scheduled by the Office of Public Accountability. We will strive to have "clean opinion" audits with no findings or deficiencies. We will continue to be diligent in our efforts to improve where we are lacking and to continue processes that have worked well in the accounting of funds maintained by our villages.
