PRESS RELEASE

September 15, 2022 – The Mayors' Council of Guam congratulates and recognizes Dededo Mayor Melissa B. Savares for being honored by the National Association of State Boards of Education (NASBE) for her exemplary work and dedication to molding our children for a successful future through education. Mayor Savares serves on the Guam Education Board as a non-voting member representing the Mayors' Council of Guam.

“In her many years of government service and as immediate past president of the Mayors' Council, Mayor Savares has devoted much of her time and resources to the advancement of education on our island. She is deserving of this great honor. We extend to her our most sincerest congratulations and best wishes as she forges ahead in molding young minds and building a culture of life in our community”, stated Mayors' Council of Guam President Jesse Alig, Mayor of Piti.

“Mayor Savares has been involved in so many organizations that affect our community both young and old. Her unequaled exuberance and energy in giving back to our children have rubbed off on many of her colleagues who always look to her for advice and ideas in making better schools and communities on our island,” stated MCoG Executive Director Angel Sablan.
